

Top 200 Most Requested Songs of the Past Year

Mobile Beat Magazine in conjunction with DJ Intelligence is pleased to publish the Top 200 Most Requested Songs. This unique list is systematically calculated by analyzing actual client requests made through the [DJ Intelligence music request system](#) over the course of the past 12 months. Over two hundred thousand requests are made each month. These requests are compiled and tallied in real time to create this dynamic list. Because of the quantity of requests, it is precisely accurate. This is a generalized list for all events ranging from weddings to parties. It changes regularly as requests are analyzed in real time, so please [bookmark this page](#) and stop back often!
